

## WELCOME TO THE 12<sup>TH</sup> ANNUAL YCIS BACK-TO-SCHOOL CARNIVAL

The YCIS Back-to-School Carnival is the first big event of the school year organized by POP. **POP** is a volunteer organisation of the parents of students currently enrolled in the school. Its purpose is to support the students and parents of Yew Chung International School of Shanghai by organizing and conducting activities and functions that help to create a sense of community. The Parent Organisation organizes social events and student activities in consultation and coordination with the Co-Principals in order to enrich the spirit of the school and parent community.

We would like to thank all the volunteers who have given so much of their time in the weeks leading up to the Carnival to make it such a big success. Without these volunteers the Carnival would not be able to happen. Special thanks go to the hard working POP committee and Parent Volunteers!
