Information for Activity Providers

At the ShanghaiMamas Fall Family Day

Do you have a business that specializes in offering activities for kids that provide fun, sport, learning or art? Then we are interested in talking with you!

Every year, ShanghaiMamas partners with local Shanghai businesses to implement our annual party/family day.

This year, we expect attendance of about 1500+ participants.

We are looking for companies who can help us to make the event fun and exciting for our members. Activities should be targeted to kids 3-12 and families.

This year's theme is Planet Earth: Go Wild so we are particularly looking for partners who can relate activities to the theme.

About ShanghaiMamas

ShanghaiMamas is a diverse, online community that encourages thriving families in Shanghai, China. We have 4000+ members from all over the world, living in Puxi and Pudong.

What's in it for us? Creating the ninth annual party that is the best family activity of the year

What's in it for you? Exposure for your organization

Criteria for participating: proposals will be evaluated based on balance of activities, uniqueness of activities, relation to the theme

Process: please propose activities and provide company info by September 25, 2015.
